

Short-Answer Questions:

1. Describe your writing career to-date. Please notate if you have previously published a completed book or novel-length work.

Answer to question one in 200 words or less, without using my name or any identifying information such as website, prior publication titles, or social media handles.

2. What are your goals as a writer and what steps have you taken to grow to this point?

Answer to question two in 200 words or less, without using my name or any identifying information such as website or social media handles.

3. How does being a writer from an underrepresented background impact your work and your writing career?

Answer to question three in 200 words or less, without using my name or any identifying information such as website or social media handles.

4. Provide a brief pitch of your manuscript, including the title, genre, and total word count. (Nonfiction proposal-based applications need not include word count.)

My pitch, title, genre and total manuscript word count in 100 words or less.
